this new collaboration

*Schedule updated as of 5/13/22

Community Food Warehouse of Mercer County, in partnership with Buhl Regional Health Foundation and Buhl Park, is proud to announce a new program partnership, Healthy Community Collaborative. This collaboration of organizations grew from a healthy lifestyles think tank meeting that was held in February and works together to create initiatives and opportunities to positively impact the health of individuals in our communities. The Healthy Community Collaborative is excited to present **The Health Hut @ the Cabin Café,** a new program for our community, that will provide access to fresh whole foods, nutrition education and healthy recipes. A variety of fresh fruits and vegetables will be available, for free, at the Health Hut on Wednesdays at the Buhl Park summer concert series. We invite the community to bring the whole family to enjoy live music, nutritious food, and the great outdoors w/ us!
